Teresa White

CASE NO.: 18-35106-CMG

CHAPTER: 7

Debtor(s)

HEARING DATE: 04/23/2019 10:00AM

---

**OBJECTION TO TRUSTEE MOTION FOR DISMISSAL**

1. I am the principal at the Law Offices of Ronaldo C. George, LLC and I am the Debtors Attorney in this case.
2. I make this statement in Objection to Order to Show Cause Why Debtors Case Should Not Be Dismissed for Failure to Make Installment Payments.
3. On December 26, 2018 the Debtor filed a Chapter 7 Bankruptcy under Case Number 18-35106-CMG.
4. The Debtors has a significant history of health issues and has been deemed to be permanently disabled.
5. Debtor's first 341(a) meeting of creditors was to commence on January 23, 2019 at this courthouse. However, Debtor was hospitalized at Robert Wood Johnson Hospital in

New Brunswick, New Jersey due to a severe respiratory infection. Debtor was hospitalized for over ten (10) days.

6. Debtor's 341(a) meeting of creditors was then adjourned to February 20, 2019 at this courthouse. Debtor however was again hospitalized at Robert Wood Johnson Hospital in New Brunswick, New Jersey due to a reaction to her medication which caused severe pain in her stomach. Debtor was hospitalized for an additional seven (7) days.

7. Debtor's 341(a) meeting of creditors was further adjourned to March 15, 2019 at this courthouse. While the debtor was not hospitalized, Debtor was extremely weak and was not physically able to make the short trip from Highland Park to Trenton.

8. As of the date of this opposition, Debtor's health is now stable, and she believes that she will be able to attend a re-scheduled 341(a) meeting of creditors.

9. Debtor has significant creditors and it is vital that she be able to continue her Chapter 7 case to receive a discharge in this matter.

10. Given the above considerations, Debtor respectfully Objects to Trustee Motion to Dismiss.
